

THE PRO-BUZZ

JANUARY 2012
HAPPY NEW YEAR!!

Prior to racing ahead with our dreams and hopes for 2012 or as it's being called...twenty-twelve, perhaps we should look back and remember what a busy and entertaining year we had in 2011. If you feel a tad tired this might explain it. Also a get ready to all our new members to be prepared for lots of fun and volunteering!!

Northumberland Probus welcomed our new President, George Lawrence, who presided over 2 meetings at the end of the year and one earlier when "the girls" were out west. Marie Van Dusen had presided over 17 meetings. Now with 12 months in the year and 2 meetings per month does anyone recall why we were 4 meetings short??

For those who enjoyed watching others perform there were plays, shows and exhibitions including:

The Trouble with Richard, The Elephant Man, Annie, Billy Elliott, Looking, The 25th Annual Putnam Spelling Bee, The Morman Tabernacle Choir, Kevin Fox, Hairspray, Nonsense, and a Month of Sundays.

Thank you Verna and to all the hard working social volunteers!!

Marcie Polson, Doris Rasmussen, and Vivian Foster continued throughout the year finding economical and delightful spots for us to have a luscious lunch. Well done ladies and thanks for our visits to: The Buttermilk Café, Casey's, Swiss Chalet, The Oasis, Red Lantern, and Limestone's. Let's do it again.

If that wasn't enough fun we continued our dining pleasure with a Robbie Burn's Day celebration, a Valentine's luncheon, breakfast in May to celebrate our 11th Anniversary Celebration, Picnic in the Park, games and a BBQ at Bill and Everil Alls home, and our Christmas Party.

More important or fun things, in no particular order:

Ski trip to Malone, N.Y., Bowling Tournament, Spring Fling, Prince Edward County Golf Trip, Canada Day Parade, The Car Rally, Horse Racing at Kawartha Downs, Remembrance Day, our December Christmas Party, and we hosted the Probus District One Regional Meeting.

We also helped out with the following:

Parkinson's, Hospice, Transition House, Christmas Kettle Drive, Canadian Cancer Society, Clean-up week, The Giving Tree, and a food drive for the Salvation Army.

Let us not forget the golfing venues near and dear to our former President's heart....

Salt Creek, Pine Ridge, Warkworth, Ash Brook, Newcastle, Shelter Valley Pines, Roxborough Glen, and Cobourg Creek.

A LITTLE GIRL WAS AT HER FIRST GOLF LESSON WHEN SHE ASKED AN INTERESTING QUESTION: 'IS THE WORD SPELLED P-U-T OR P-U-T-T?' SHE ASKED THE INSTRUCTOR. 'P-U-T-T IS CORRECT,' HE REPLIED. 'PUT MEANS TO PLACE A THING WHERE YOU WANT IT. PUTT MEANS MERELY A VAIN ATTEMPT TO DO THE SAME THING.'

Thanks to Doug & Jennifer Lloyd

Great shots by Sue Lanctot and Vickie Catton for a magnificent photo album/scrapbook.

Special thanks to Barb Lawrence for assuming Marg's duties during her western trip. We are still waiting to hear more details.

We unfortunately lost Helen McDonald this year and she is missed.

NOTE If I missed an event or venue or something one of our members was involved in then I apologize. I am really looking forward to this years programs as we will try to top 2011. Jamie

As we do not publish in December here is a 2 month recap of our very busy season:

REMEMBRANCE DAY SERVICE

George Lawrence announced the start of our own service. Then, Jamie Doolittle introduced our veterans who came to the front of the room and we all observed a minute of silence at 11:00 A.M. Bill Ruttle played "Flowers of the forest" on his bagpipes. While Bill left the hall and played "Amazing Grace" in the vestibule, Verna Templer recited "In Flanders Fields". George then lead the club in the singing of "O Canada". This was followed by Jamie reading "The Final Inspection" and Bill finished our ceremony by playing "The Battle's Over".

Probus Christmas Party 2011

On December eighth, two thousand and eleven, Northumberland Probus celebrated warm friendships, seasonal joys of an excellent turkey dinner, and good wine which were accompanied by Bob and Lee's festive music. Groups of eight were seated at dining tables sparkling with candles and decorations. Eileen's hand-crocheted angels graced each table.

Marilyn and Pete provided musical entertainment for us at intermission. Gwen Crawford shared the joy of the day being her sixtieth wedding anniversary and the gift of sixty red roses.

When Mrs Claus and her three elves arrived there were smiles all around. Santa sent messages about the many letters he had received. Poinsettias and bottles of wine were speedily delivered by the elves.

When Bob and Lee rejoined us, Marilyn and Pete were "in the spirit" of the event and helped provide the music for the dance. Many guests stayed to dance and enjoy the music until our musicians packed up. We all appreciated Nigel in the cloakroom and hope he will come again.

SLEEPING BEAUTY

Twenty-nine Probus members had dinner at the Beamish House in Port Hope on December 16, 2011. We had very good food prior to walking over to the Capitol Theatre where we met with a few more Probus members. We saw the beautifully decorated trees throughout the lobby before we entered the theatre.

The Adult Version of Sleeping Beauty resembled the pantomimes we used to take our children to, having a Hero, Villian, & Princess. There was a smattering of comedy, farce, and smut--some not subtle, some was.

I think we had some laughs, but looking around I did see some straight faces.

Thank you Verna for arranging this evening.

THE LUNCH BUNCH

Our favourite tables by the windows were reserved for 25 of our lunch-bunchers at Casey's on the 24th of November. Most of us were seated by noon and promptly served with our choices from Casey's varied menu. It's fun to eat good food while joining in "stimulating" conversations all around us. Marcie and Doris will return as our hostesses in January 2012

Recently the following was told to your editor..The individual disagreed with the use of the word "Snowbird" referring to people who flee south in the winter. Real grey and white snowbirds remain here all winter and do not fly south. The individual felt that the real snowbirds are those of us who remain here in winter and that those who take off for the south should be called "Sunbirds".
