“KAWARTHA SPIRIT” EXPERIENCE

Forty-six Probus members and guests enjoyed the boat cruise on the Trent Canal System on Thursday, September 6th. It could not not have been more perfect. The day was beautiful, the boat and service were excellent, and, of course, the company was fun and friendly. The commentary was interesting, entertaining and informative, especially for those who are new to the area. The Lock 34 experience was fascinating and the view of the Falls was an added bonus.

We enjoyed Jamie’s recommended shopping after the cruise. We found Fenelon Falls to be a lovely little community in which to browse.

Lunch itself appeared to be effortless and was well-prepared. The cash bar provided a celebratory mood to the day which was, all in all, a wonderful outing.

Verna tells us that our water experience next year will be the Kirkfield Lift Lock Cruise. Should be fun!

RICE LAKE HERITAGE BOAT TOUR

Approximately 100 people gathered at Tower Manor Lodge at 9:00am, Saturday, September 15, 2012. After a brief history of the Manor and surrounding area, we boarded 12 pontoon boats for a cruise along the south shore of Rice Lake. We were in good hands, with the owner of each boat ensuring a safe journey. A member of the Hamilton Twp. Heritage Committee provided an historical background on various shoreline properties. In addition, we received a booklet containing photos and descriptions of these sites.

We moored at the Charles Sorby House (Fircliff) c1875, east of Gore’s Landing, for a delicious lunch and delightful time in a beautiful setting overlooking Rice Lake. Our hosts invited us into their home to view some very interesting photos and artifacts. After lunch in the garden, we explored the out-buildings, enjoyed the view, and relaxed on lawn chairs, on the swing on the side porch, or on the deck overlooking the lake. Completely relaxed, we headed down to the dock for the balance of the cruise.

The tour continued along the south shore to Harwood, then turned west and cruised close to the shores of Tic, Spook, Black, Sheep and West Sugar Islands. The skies turned gray and the wind cool, as we headed back to the docks of Tower Manor Lodge. Overall, the six hour tour was held under blue skies, sunshine and warm temperatures – a perfect day in every way!

GOLFING NEWS

September 17th at Shelter Valley

On Monday, September 17th, twenty-two golfers came out to enjoy a beautiful end-of-summer day. Golfers played 9 holes - scramble format - and enjoyed lunch afterwards.

Two teams tied for first place with a score of 36. They were the team of Ted Jex, Everil Alls and Brian Salley, and the team of Bill Alls, Lynn Wallace, Carol Lynn and Don Tapscott.

Closest to the pin for ladies was Everil Alls and for men was Bill Alls.

Longest drive for ladies was Barb Lawrence and for men was Ted Jex.

Everyone had a great time.

The final Probus Golf Group event of the season was held on Monday, October 1st hosted by Jamie Doolittle and Tim O'Shea. Approximately 50 golfers took part in the Annual Closing Day and Dinner at Cobourg Creek Club. A full report will be included in the next issue of Pro-Buzz.

When my doctor asked me about what I did yesterday, I told him about my day.

"Well, yesterday afternoon, I waded across the edge of a lake, marched up and down a steep hill, stood in a patch of poison ivy, crawled out of quicksand, and jumped away from an aggressive rattlesnake."

Inspired by my story, the doctor said, "You must be an awesome outdoorsman!"

"No", I replied, "I'm just a lousy golfer."

THE LUNCH BUNCH

A new season of Lunch Bunch outings has begun after the summer break. Our first venue was the Oasis, which featured menu choices of:

- Sirloin Burger with soup, salad, or fries
- Chicken Caesar wrap with soup or fries
- Pasta with side salad

Twenty-six Probus members were treated to delicious food, as usual, and it was a beautiful day to enjoy the solarium setting.

The Importance of Exercise

I joined a health club last year, spent about \$1,000, but haven't lost a pound. Apparently you have to go there!

The only reason I would take up walking is so that I could hear heavy breathing again.

I do have flabby thighs, but fortunately my stomach covers them.

I've just been to the gym because I heard they got a new machine in. I could only use it for half an hour because I started to feel sick. It was great though. It provided me with everything I needed – KitKats, Mars Bars, Snickers, Potato Crisps, the lot ...

Every time I start thinking too much about how I look, I just find a pub with a Happy Hour and by the time I leave, I look just fine.
