**AUGUST 2012**

## GOLFING NEWS

Beautiful sunny weather prevailed throughout most of the month of July, providing pleasant conditions for golfers. All four of the July Probuss Club golf outings are reported below.

### July 3<sup>rd</sup> at Salt Creek

Attendance was somewhat lower for this golf outing. However, we still managed to form five groups who set out on another beautiful day. A score of 29 was posted by the winning team of Barb Lawrence, Jim O'Shea and Ralph Stoffers. After our game, we travelled to the Warkworth Golf Club for an excellent lunch. Here we handed out vouchers for nine holes of golf, generously donated by the Salt Creek Golf Club, to the following golfers:

**Closest to the Hole:** Norma Stoffers (Ladies) and Fred Cooke (Men)

**Longest Drive:** Everil Alls (Ladies) and Ted Jex (Men)

Overall, it was another great Probuss golf day.

### July 16<sup>th</sup> at Ash Brook

On Monday, July 16<sup>th</sup>, 27 eager golfers took part in our golf day. The weather was nice when we teed off but by the time we finished it was hot, making the social hour of cold beer, and the lunch that followed, even better. The scores were good with three groups tied at 41 while the most honest group's score was 45. Overall, it was a great golf outing.

### July 23<sup>rd</sup> at Warkworth

Golfing at Warkworth on July 23<sup>rd</sup> for the usual 18 holes of 'play your own ball' was attended by 12 Probus members. Although it was a hot day, an 8:00am tee off time and golf carts made the day enjoyable, apart from any golfing frustrations we might have had. The leading scorers were Jim O'Shea for the men with a great 87 and Barb Lawrence with 113 for the ladies. Barb also was closest to the pin. Fred Cooke and Jean Crowley launched the longest drives. We cooled off with lunch at the club, accompanied by good conversation.

### July 30<sup>th</sup> at Stonehenge

On another great day on the golf course, twenty-three golfers rose to the challenges of Stonehenge. From all reports, everyone enjoyed the course which was new to most.

The team of Fred Cooke, Danny Robertson, Carol Lynn and Lynn Wallace had the best score in the scramble format. Ted Jex, Jim O'Shea and George Lawrence were tied for best score in the 'play your own ball' format. Everil Alls was closest to the pin for the ladies, Ted Jex for the men. Lynn Ramsay had the longest drive for the ladies while Ted Jex had a **really long drive** for the men.

After golf, we all enjoyed burgers, hotdogs, etc., at the golf course. Stonehenge staff (ladies) have promised, at our next outing, to make up for the forgotten salads

Let's plan another round of golf at Stonehenge.

## 4<sup>th</sup> Line Theatre: *Queen Marie*

Probus members were off to another summer evening of entertainment at the 4<sup>th</sup> Line Theatre. Anyone who has ever wondered about the life of Marie Dressler and her amazing life as a star in the 1930's would be wowed by the play *Queen Marie*, written by Shirley Barrie. Marie, played convincingly by Shelley Simester, showed us what a truly accomplished actress she was, having played vaudeville, silent movies, and then continuing to the 'talkies'. Throughout her career, Marie played alongside many of the greats including Charlie Chaplin, Mae West, Lionel Barrymore and Greta Garbo. She enjoyed many professional and personal successes as well as truly awful failures. The performance was fast-moving with many of the actors playing multiple roles.

Many thanks to the organizers for providing an enjoyable evening out with friends.
