Well, we will soon be able to claim that we survived the “Summer of the great drought”. (Perhaps someone will sell tee shirts with a suitable logo....) Autumn brings us to our Annual General Meeting, scheduled for September 14th. We will be reviewing the past year, thanking all those volunteers who are now stepping down and welcoming the new Management team and other new members of the various committees. We will also be inducting new members. Please make an effort to attend, both to show our appreciation and to welcome the newcomers.

With the end of Summer, we look forward to the Club’s Autumn activities, including Applefest (in the past we have participated in the parade), our Oktoberfest party - time for lederhosen and dirndls for those lucky enough to have some, and the annual car rally September 15th. Please consider participating.

Regarding membership renewal, perhaps you could remind friends or acquaintances who intend to renew but, for one reason or another, have been unable to do so.

I knew it would come to this – my last chance to harass all of you in the Beacon. It has been a very enjoyable year for me, one that you have made most worthwhile. I leave you with this quote from Walt Whitman – “Keep your face always toward the sunshine - and shadows will fall behind you.”

IN MEMORIAM

We remember Robert (Bob) Hendry November 7, 1938 - July 28, 2016. At the age of 77 with a glass of scotch in hand, Bob died peacefully at his retirement home in Toronto. A private memorial service for his surviving brothers and sisters will be held in Scotland at a later date.

We remember Don Whalen who passed away on August 13, 2016 at 11:00pm in the Toronto General Hospital.

Don was a Charter Member of the Brighton PROBUS Club and a Founding Member and Charter Member of the PROBUS Club of Presqu'ile. Don had a 36-year military career. He was a member of the Masonic Lodge, a member of the Royal Canadian Legion and a member of Trinity St. Andrew's United Church.

Don's immediately family are arranging a private family gathering at their Grandparent's graveside. It is the wish of the family at this time not to have a Celebration of Life Service in Brighton.

The Murder in the Mirror (also known as The Mark of Cain) by Peter Colley is the story of identical twins, who were raised in **northern Ontario**. Michael committed murder in the **family** cottage and was sent to a mental institution. His brother Sean, with his new wife, Dale, have returned to sell the **property**, against Michael's wishes. They hear that Michael has escaped and is heading for the cottage.

Can the police stop **Michael**, or has he already arrived and taken his brother's place? Or is Sean susceptible to the same madness that afflicted his twin?

The Murder in the Mirror is a suspenseful thriller, laced with humour, about the dark side of being an identical twin. It is written from the heart, because the author is a twin himself.
