“GET READY TO SING”

On entering the meeting room, everyone noticed the seating arrangement had been changed from the usual tables and chairs and, instead, there were two large half circles of chairs and, in front there was a cute small “camp fire”, a small tent and a very colourful blanket with many Girl Guide badges attached. The words to the songs were on the screen, song sheets on each seat, which were very helpful because most of us couldn't remember the words! Plus, red strings on the chairs and we were asked to be creative and come up with a knot or two.

Without further ado, Valerie (Val) Nippard and Lacy Ingram were introduced. Val then explained what we were in for! Val and Lacy have been Girl Guide leaders for many years and they wanted to take us on a journey of camping (Girl Guide style.)

Val introduced her two jubilant assistants: Marilyn Smith and Denise Jagt who are Guide leaders as well. For the first song, the two half circles were divided into 3 and each group was asked to sing “Fire's Burning” altogether and then one after another the group sang individually – choir style. There were lots of sitting and standing whilst singing, very animated. There were about 7 songs sung in all and one in particular “Edelweiss”, when we had to clap in a certain way and it was pretty obvious some of us were having a little bit of trouble with that! The last song, “Say Why” was a very moving one and it was an appropriate one to end the fabulous, funny and hilarious meeting!

Anthony thanked Val, Lacy and their 2 very helpful assistants, Marilyn and Denise, for such a great time.

President Anthony Skinner welcomed all. No guests, no special milestones to be acknowledged.

Humour provided by Sharon Rathbone

Guest speaker David Elliott of Elliott Insurance Services was introduced by Steve Snell.

Mr. Elliott gave us a background on his company which was started by his grandfather and has been in the family for 3 generations. He explained the difference between broker vs agent.

He spoke on Home and Auto insurance and explained the Ontario Government changes in automobile insurance system for improved coverage and options. He stressed the importance of having a friend or neighbour check your home both inside and out, every few days, when on vacation especially for long terms i.e. snowbirds. We were enlightened on the subject of 'flood and sewer' insurance coverage and options.

His talk was followed by lots of interesting questions.
