## Aug 9<sup>th</sup> meeting

Liz, Debbie and Val ran the program for our August 9th meeting that had everyone mixing and mingling as they tried the activities that were arranged. Val had one group trying to match names to Probus members' baby pics, while Liz had created a word jumble puzzle that had everyone trying to unscramble words that were all summer related. As though this wasn't enough activity, Debbie had names pinned on the back of our tops and we had to first determine who we were and then try to find our corresponding half (think Harry and Meghan!). What we learned is that ALL baby pics look alike (they're all really cute!) and unless a word jumble has a maximum 6 letters we're all easily stumped. Suffice to say a FUN time was had by all .... and the 10 \$5 Tim's certificates that were awarded was a terrific and fitting ending!

## Pub Night

A large crowd gathered at the Beamish for the August Pub Night, lots of conversation and laughter.

## What is Probus

### Fellowship

Rising out of membership activities there is a self-generating goodwill, a sense of fellowship, a diverse background of interests and a strong feeling of cordiality.

### [PROBUS Mission](#)

### Friendship

A basic purpose of a PROBUS club is to provide regular gatherings for semi-retired and retired people in local communities that appreciate and value opportunities to meet with others with similar interests. Meeting new people, making new friends, discovering new interests are just some of the advantages of being a PROBUS member.

### [What our members say](#)

### Fun

Focus on fostering similar interests, social events and providing monthly meetings with interesting speakers.

## WORK

1 My first job was working in an Orange Juice factory, but I got canned. Couldn't concentrate.

2 Then I worked in the woods as a Lumberjack, but just couldn't hack it, so they gave me the axe.  
3 After that, I tried being a Tailor, but wasn't suited for it — mainly because it was a sew-sew job.

4 Next, I tried working in a Muffler Factory, but that was too exhausting.

5 Then, I tried being a Chef — figured it would add a little spice to my life, but just didn't have the thyme.

6 Next, I attempted being a Deli Worker, but any way I sliced it.... couldn't cut the mustard.

7 My best job was a Musician, but eventually found I wasn't noteworthy.

8 I studied a long time to become a Doctor, but didn't have any patience.

9 Next, was a job in a Shoe Factory. Tried hard but just didn't fit in.

10 I became a Professional Fisherman, but discovered I couldn't live on my net income.

11 Managed to get a good job working for a Pool Maintenance Company, but the work was just too draining.

12 So then I got a job in a Gymnasium, but they said I wasn't fit for the job.

13 After many years of trying to find steady work, I finally got a job as a Historian — until I realized there was no future in it.

14 My last job was working in Starbucks, but had to quit because it was the same old grind.

**SO, I TRIED RETIREMENT AND I FOUND I'M PERFECT FOR THE JOB!**
