Acting President's Message

Canada is celebrating its 150th July 1st == and we can look forward to celebrating our 20th anniversary in 2018. What can we do to mark that? Put on your thinking caps and we will welcome suggestions.

From all reports, the Picnic on the lawn of Penryn Manor was a great success. The weather cleared and a good time was had by all who attended. Thanks to all who participated in organizing a fun afternoon for our members.

It was a great pleasure to welcome Jamie Doolittle to our Club. Did you know the number of Probus Clubs in Canada – and that there are over 20 countries that have active Probus Clubs?? He is a dynamic advocate for Probus and a source of important information for us all.

The nominating committee is still looking for candidates for Vice President and Secretary. Volunteers would be appreciated. One of the joys of my year as Acting President has been the amazing team of supporters that I have had; the commitment of the Council has been remarkable.

Now we look forward to having John Geale tell us of his work with the Northumberland Land Trust at the August 1 meeting. And there is the annual corn Roast on Tuesday, the 29th of August at the Legion. Tickets are available today and at the August 1 meeting. Cost is \$10 per person. Come one. Come all! Guests are welcome.

Jamie Doolittle and the duties of a Probus director.

Jamie is now a director and treasurer of Probus Canada.

Jamie talked about enhancing awareness of Probus, and ways of increasing membership in Probus. Since the 1st Probus meeting in Cambridge in 1987 Probus has grown to 240 clubs and 34000 members in Canada. Jamie stressed that Probus is a social club and not a fundraiser.
